

## PART- A

### 1. Develop and demonstrate HTML page containing basic text formatting tags, hyper link, images.

```
<!DOCTYPE html>

<html>

<head>

<title>Motivational Statement for Students</title>

</head>

<body>

<!-- Text Formatting -->

<h2>Keep Moving Forward</h2>

<p>

<b>Success</b> doesn't happen by chance. It's built through<u><i>Dedication, Discipline,
and a <strong>never-give-up attitude</strong></i></u>.Just like in programming, where
even a missing <mark>semicolon</mark> can cause an error, small habits in life<em>matter
a lot</em>.Your effort<sup>2</sup> + passion<sup>2</sup> = growth<sup>2</sup>.Stay
consistent, even when you feel like you're at <strong><sub>Lowest</sub></strong>.

<H3>"Every bug you fix in CODE or LIFE is one step closer to <b><mark>YOUR BEST
VERSION"</mark></b>.</H3>

</p>

<!-- Hyperlink -->

<p>Want to grow your coding skills? Visit <a href="https://www.freecodecamp.org/"
target="_blank">Free Code Camp</a></p>

<!-- Image -->

<h2>Motivational Quotes by APJ Abdul Kalam</h2>

</body>

</html>
```

## Output:

### Keep Moving Forward

Success doesn't happen by chance. It's built through *Dedication, Discipline, and a never-give-up attitude*. Just like in programming, where even a missing semicolon can cause an error, small habits in life *matter a lot*. Your  $\text{effort}^2 + \text{passion}^2 = \text{growth}^2$ . Stay consistent, even when you feel like you're at **Lowest**.

"Every bug you fix in CODE or LIFE is one step closer to **YOUR BEST VERSION**".

Want to grow your coding skills? Visit [FreeCodeCamp](https://www.freecodecamp.org/)

### Motivational Quotes by APJ Abdul Kalam

### 2. Develop and demonstrate HTML page containing III Sem BCA / III Sem B.Sc. [P.M. Cs] Course time table using table tag and its properties such as rowspan, colspan etc.

```
<!DOCTYPE html>
<html>
<head>
<title>III Sem BCA Time Table</title>
</head>
<body>
<h2 align="center">III Sem BCA Time Table</h2>
<table border="5" bgcolor="yellow" cellspacing="0" cellpadding="8" align="center">
<caption>BCA 'C' Section</caption>
<tr align="center" bgcolor="green" >
<th>Day / Time</th>
<th>10:30 - 11:30</th>
<th>11:30 - 12:30</th>
<th>12:30 - 1:30</th>
<th>1:30 - 2:30</th>
<th>2:30 - 3:30</th>
<th>3:30 - 4:30</th>
</tr>
<tr align="center">
<td>Monday</td>
<td>Web Tech</td>
<td>C#.Net</td>
<td>ENG</td>
<td rowspan="3"><b>LUNCH</b></td>
<td colspan="2">C#.Net Lab</td>
</tr>
<tr align="center">
<td>Tuesday</td>
<td colspan="2">DBMS Lab</td>
<td>SE</td>
<td>ENG</td>
<td>C#.Net</td>
</tr>
<tr align="center">
<td>Wednesday</td>
<td colspan="2" align="center">Web Tech Lab</td>
<td>DBMS</td>
<td>C#.Net</td>
<td>CC</td>
</tr>
</table>
</body>
</html>
```

**Output:**

### III Sem BCA Time Table

•

BCA 'C' Section

| Day / Time | 10:30 - 11:30 | 11:30 - 12:30 | 12:30 - 1:30 | 1:30 - 2:30 | 2:30 - 3:30 | 3:30 - 4:30 |
|------------|---------------|---------------|--------------|-------------|-------------|-------------|
| Monday     | Web Tech      | C#.Net        | ENG          | LUNCH       | C#.Net Lab  |             |
| Tuesday    | DBMS Lab      |               | SE           |             | ENG         | C#.Net      |
| Wednesday  | Web Tech Lab  |               | DBMS         |             | C#.Net      | CC          |

## 3.Develop HTML Page Contain College Course Details using Order and Unorder List

```
<!DOCTYPE html>
<html>
<head>
<title>College Course Details</title>
</head>
<body>
<h2>Courses Offered:</h2>
<ul>
<li>BCA</li>
<li>BBA</li>
<li>B.Com</li>
<li>B.Sc</li>
</ul>
<h2>III Sem BCA Subjects</h2>
<ol>
<li>Data Base Management System</li>
<li>Web Technologies</li>
<li>Software Engineering</li>
<li>Cloud Computing</li>
<li>C#.NET Programming</li>
</ol>
</body>
</html>
```

Output:
